FROM CHANCELLOR'S DESK

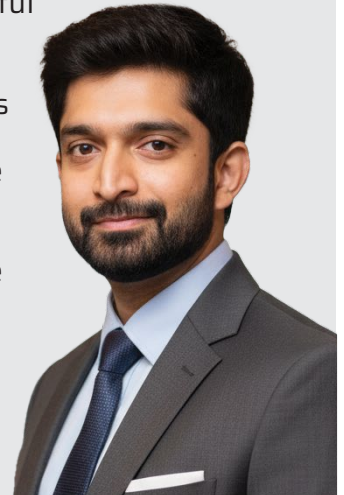

Universities should focus on equipping the students with essential skills, in order to pave way for an impressive career path that makes the individuals capable of making a positive impact in the world.

**Er. Koneru
Satyanarayana**
- CHANCELLOR

FROM VICE PRESIDENT DESK

Investing in vocational training is essential for preparing individuals for the future job market. By finding creative funding solutions and embracing technology, we can ensure that vocational education remains relevant and effective. This will empower individuals with the skills needed for a successful career, driving economic growth and improving quality of life. As industries continue to evolve, a well-funded and adaptable vocational training system will be key to sustaining a competitive and innovative workforce.
