NATIONAL SERVICE SCHEME (NSS) EVENT TO CREATE AWARENESS ABOUT HIV/AIDS

4 MAY 2023

The KLHGBS Kondapur campus organized a student-led rally programme as part of their National Service Scheme (NSS) event to create awareness about HIV/AIDS and its effects. The event aimed to educate and inform people about the importance of prevention, early detection, and treatment of HIV/AIDS. The programme started with a rally that was led by the NSS students and NSS Coordinators. They carried placards and banners with messages related to HIV/AIDS prevention, awareness, and support for HIV positive individuals. The rally started from the KLHGBS Kondapur campus and covered various locations in the nearby areas. The volunteers interacted with the local people, explained the seriousness of HIV/AIDS and also explained its effects and how to prevent it. After the rally, the NSS volunteers organized a seminar on HIV/AIDS awareness. Students and coordinators highlighted the importance of safe sex practices, regular check-ups, and early detection in preventing HIV/AIDS. The event was a huge success in creating awareness about HIV/AIDS and its effects. The NSS volunteers received positive feedback from the participants, who appreciated their efforts in organizing the

event. The event helped in breaking the stigma associated with HIV/AIDS and encouraged people to seek timely medical assistance. The KLHGBS Kondapur campus NSS team deserves applause for their initiative in creating a healthier society.

**Knowledge is the cure:
Spread awareness, not AIDS.**

**LET'S FIGHT
AIDS TOGETHER!**
Join us to end the **Stigma.**

NSS Unit, KLH-GBS, Kondapur

www.klh.edu.in | [@kluniversityH](https://www.facebook.com/kluniversityH) | [@kluniversityh](https://www.instagram.com/kluniversityh) | [@kluniversityh](https://www.linkedin.com/company/kluniversityh)

the nearby areas. The students interacted with the local people, explained the seriousness of cancer. After the rally, the NSS volunteers organized a seminar on cancer awareness. The NSS students and volunteers highlighted the importance of a healthy lifestyle, regular check-ups, and early detection in preventing cancer.

The seminar was attended by a large number of students, faculty, and local people. The audience actively participated in the Q&A session, where they asked questions and shared their own experiences related to cancer. The event was a huge success in creating awareness about cancer and its effects

TREE PLANTATION

12 MAY 2023

As part of smart village revolution under Students Activities Centre, KLHGBS and KLH Aziznagar campuses students participated in tree plantation at Pedhamangalaram village, Hyderabad

KL University Hyderabad, in collaboration with the Government of Telangana, KLHGBS students, and Aziznagar campus students participated in a tree plantation event at the Pedhamangalaram village sports complex (Krida Pranganam), Moinabad Mandal, Telangana, as part of the Smart Village Revolution under the Students Activities Centre. The event was aimed at promoting environmental sustainability, raising awareness about the importance of trees, and contributing towards the betterment of society. The Pedhamangalaram

village sports complex (Krida Pranganam) is a multi-purpose sports complex located in Moinabad Mandal, Telangana. The complex is spread across a vast area, and it aims to host various sporting events and activities throughout the year. The complex is also home to various species of trees, which provide shade and maintain the ecological balance. The event was attended by more than 40 students and faculty members, who actively participated in the tree plantation drive.

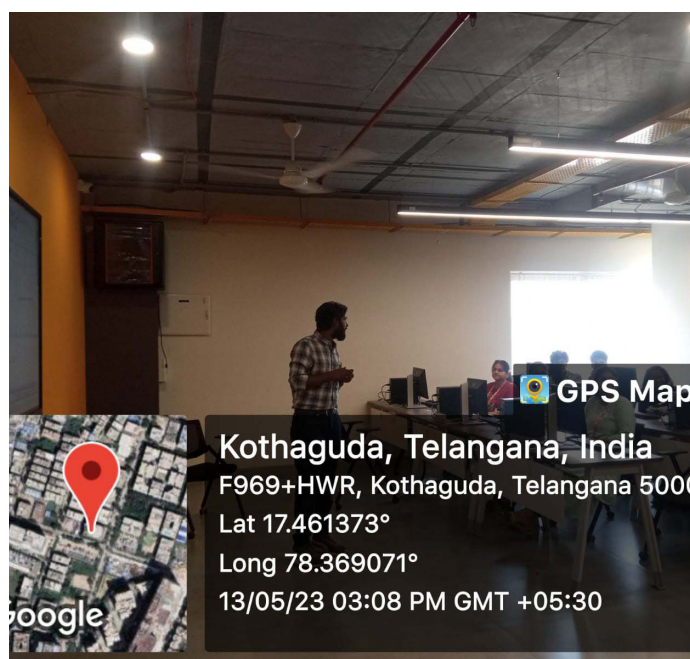

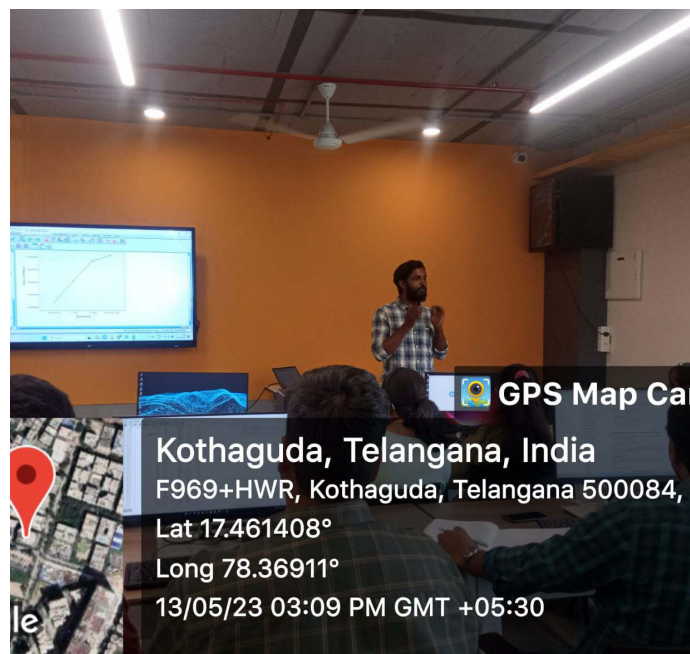

The students planted saplings of various species of trees, in and around the sports complex. The event was a great success, with the students and faculty members working together to plant over 100 saplings in a single day. The tree plantation event at the Pedhamangalaram village sports complex

STATISTICAL PACKAGE FOR SOCIAL SCIENCES (SPSS)

13 MAY 2023

An orientation class on Statistical package for Social Sciences (SPSS) was held on 13-05-23 as part of Business research methods subject curriculum for MBA I year students. The speakers were Mr. Mohan Palani and Mr. Priyadarsi Ranjan. The orientation class was coordinated by Dr. M. Geeta, Associate Professor, Department of Management.

The students had hands on experience in using SPSS for Research and also for Data Analysis which they have to apply in writing a research paper as a live project for Business Research methods subject.

(Krida Pranganam) was a great way to contribute towards the Smart Village Revolution and promote environmental sustainability. The event aimed to create a green and healthy environment for the sports complex and its surrounding areas. The students and faculty members worked tirelessly to ensure that each sapling was planted correctly and received the necessary care and attention to grow. The event was also a great opportunity for the students to learn about the importance of trees and their role in maintaining ecological balance. The students learned about the various benefits of trees, such as providing shade, improving air quality, and contributing to the biodiversity of the region. In conclusion, the tree plantation event at the Pedhamangalaram village sports complex (Krida Pranganam), Moinabad Mandal, Telangana, organised by KL University Hyderabad, in collaboration with the Government of Telangana, was a great success. Such events play a crucial role in creating a sense of responsibility towards the environment among the youth, and they encourage them to take concrete actions towards a greener and sustainable future.

BRAINSTORMING SESSION

17 JUNE 2023

KLH-GBS students participated in a brainstorming session at Badruka College of Commerce, Hyderabad which is organized in collaboration with Ministry of Youth Affairs and Sports, Government of India.
